Summary

Multidisciplinary graphic designer and educator with an M.S. in Communications Design and over a decade of professional experience in visual communication, branding, and design systems. Experienced in mentoring, critique-based instruction, and teaching visual thinkers how to articulate ideas through written and oral communication. Educational background includes academic lab coordination, youth art instruction, and professional presentations within art and design environments.

Teaching & Academic Experience

Guest Panelist & Lecturer

Pratt Institute - Brooklyn, NY | 2014

- Inside Track into Media - Panelist, November 2014
- Alumni Round Table - Panelist, April 2014
- Participated in academic and professional panels focused on design practice, communication, and career development
- Engaged students in discussion around creative process, interdisciplinary work, and professional pathways

Gallery Director & Artist Collective Organizer

Loft594 Studios & Gallery - Brooklyn, NY | 2012–2014

- Directed a gallery and artist collective supporting interdisciplinary visual and performance artists
- Curated visual art and performance art exhibitions
- Organized and facilitated panel discussions and public conversations with artists and creatives
- Collaborated closely with artists to develop, present, and contextualize their work for public audiences
- Fostered critical dialogue, reflection, and interpretation of artistic practice

Print & Design Lab Coordinator

Pratt Institute - New York, NY | 2010–2012

- Supported graduate students in print and design production within an academic lab environment
- Provided one-on-one guidance, feedback, and technical instruction
- Assisted students in translating conceptual ideas into finished visual and printed work
- Maintained academic standards and supported faculty-led coursework

Summer Art Program Instructor

Guatemala City, Guatemala | 2002-2004

- Taught foundational art to teenage students in a summer program setting
- Developed project-based assignments emphasizing visual storytelling, critique, and self-reflection
- Guided students in presenting and discussing their work verbally and in writing

Professional Experience

Patricia Moon Design - Designer

Lancaster, PA | 2009-Present

- Lead multidisciplinary design projects, including brand identity, illustration, web, and print
- Collaborate with clients and teams worldwide, facilitating clear written and verbal communication of concepts
